

Limited Cabinet Coating Warranty

Bronz-Glow's Limited Coating Warranty.... The cabinet components of this unit have been Bronz-Glow coated with the Husky Pat-Coat and/or Husky SPC for corrosion protection. Bronz-Glow's Limited Warranty applies as follows;

Part "A", What is Covered?

Any cabinet component coated by a Bronz-Glow Licensed or Certified Field Spray Applicator or In-House Dip Coating Applicator with approved Husky cabinet coating product. For the purposes of this warranty, the definition of the cabinet includes the HVAC unit as it ships to a job site. Cabinet components do not include external electrical boxes, ducting, or support bracketing on which the unit is installed or supported from.

For How Long?.... The warranty covers "coating on the cabinet components", for Twenty Four months, beginning with the original application date, and subject to Bronz-Glow's receipt of the completed coating warranty registration form for the specified unit being warranted.

How is the Limited Coating Warranty Coverage Applied?.... The maximum liability for cabinet components coated with Pat-Coat or SPC is prorated as follows; Should the original cabinet require re-coating due to external atmospheric corrosion, Bronz-Glow shall re-coat the cabinet using, at our option, a licensed Field Spray Applicator or a Bronz-Glow In-House Dip Facility at the following schedule based on the manufacturer's list prices at the time of re-coating. **Warranty does not include travel, subsistence, freight, sales tax, duties, or labor.**

This Warranty;.... Is prorated at Bronz-Glow's cost of coating for 24 Months from date of original coating. Under this warranty, owner is subject to field service charge of \$75.00 to \$100.00 for each visit. Re-coating pro-ration is as follows; 1 month to 24th month no charge. All cabinet components requiring replacement in the 24 month period are coated at no charge. This is for panels which have rusted through. All another corrosion problems are deemed repairable. This warranty is limited to coverage of Bronz-Glow cabinet coatings applied by a Bronz-Glow or one its Licensed Certified Applicators.

Part "B", What This Warranty Does Not Cover

Those items not covered under this warranty are any and all items shown as covered in Part "A" of this Limited Warranty including but not limited to; Any other parts, disposal, freight, duties, postage, tariffs, damages, to items or products caused by failure other than those explicitly defined as covered by this warranty.

1. Other Items Not Covered Under This Limited Warranty:

- a). Damage originating internally, such as from corrosive liquids or gases inside the system.
- b). Damage from improper cleaning methods, such as the use of wire brushes, high pressure steam/water or air spray (+ 50psi). Unauthorized chemicals or un-proven cleaners not consistent with Bronz-Glow's warranty maintenance program or other abrasive actions or products.
- c). Damage from other mis-use, neglect, or any other intentional or accidental act, or any act of nature which compromises the integrity of Bronz-Glow's protective coating applied for external corrosion protection.
- d). Labor or workmanship involved in any field installation, assembly, repair, touch-up or re-coating, disassembly, coating of replacement components by others.

2. Our Workmanship;.... Is warranted for thirty (30) days from the date of coating application. Our workmanship warranty is limited to parts coated, disassembled or re-assembled by Bronz-Glow's trained Technicians for the purpose of coating equipment.

3. Bronz-Glow Reserves The Right To;.... In its opinion and as an option, visually inspect any unit (prior to re-coating), either by onsite inspection or requiring photograph and/or video evidence of external corrosive damage.

4. Re-Coating;.... Of an original or replacement components does not extend the original warranty.

5. Bronz-Glow's Liability;.... Does not extend beyond the Terms or Conditions of the limited warranty. Bronz-Glow shall not be liable for any damages caused by equipment or failure of operation of equipment, or a manufacturer's defect in the equipment. We neither assume nor do we allow anyone else to assume for us, any additional liabilities. No person, company or entity of any type or manner can make, represent or construe any other terms or obligations under this warranty.

Part "C", What You Must Do To Keep This Limited Coating Warranty Valid!

1. Owner Must;.... Assure that the coatings integrity was not compromised during shipping or installation. If so, Bronz-Glow must be properly notified within 60 days of such incident.

2. Owner Is To Provide;.... Normal maintenance including scheduled cleanings, coating touch-up of abraded or eroded coating or scratches. All of which can compromise the integrity of protective coatings. Coating touch-up is considered normal maintenance during the life of equipment. Maintenance requirements are part of the Limited Warranty and should begin immediately following installing of equipment. Husky Brand cleaners are approved for Bronz-Glow's cabinet coating applications. Failure to keep a unit serviced, may void all or part of this warranty.

Limited Cabinet Coating Warranty

3. **Owner Is To Give;**.... Prompt attention to needed repair and service of coating.
4. **Owner to Schedule;**.... Cleaning and inspection of coating in accordance with the terms of this limited warranty.
 - a). Units located within 10 miles of sea coast, or in areas where aggressive corrosive atmospheres are common (paper mills, refinery, chemical plant, WWTP, or similar) shall be cleaned using Husky Coil Sheen not less than every 6 months.

Fresh water rinses do not constitute a cleaning! Use of wire brushes is prohibited!
 - b). Clean cabinets located 11 miles or greater from sea coast no less than once every four months using Husky Coil Guard or Husky Coil Sheen.
 - c). Following cleaning, check for abrasion, erosion or corrosion damage. Unit edges and creases where abrasion and moisture sitting is prevalent.
 - d). If abrasion is evident, use of a Bronz-Glow Maintenance Touch-Up Kit is available factory direct, or through local supply houses. Authorized Bronz-Glow Certified Field Applicators are available to assist customers with proper touch-up requirements.
5. **Do Not;**.... Use high pressure water / air spray, wire brushes, scrappers, or other abrasives to clean cabinets, as it may damage the coating and void the warranty.
6. **Protect Your Warranty;**.... Insist that service technicians use only approved Husky Cleaners and touch-up materials during service of your equipment. Un-approved cleaners may damage the coating and void your warranty. Call Bronz-Glow's Customer Service Department for additional warranty information. (800) 555-6385 or (904) 825-0175 .
