

Confidentiality / Secrecy Agreement

Agreement for Non-Disclosure of Confidential Information

The parties agree that Bronz-Glow products, processes, procedures and price structure are proprietary to Bronz-Glow. The undersigned individual agrees that any proprietary information regarding Bronz-Glow business, whether learned, discovered, or gained through the individual and his firms association with Bronz-Glow shall be regarded and treated confidentially and shall not be disclosed to any competitor of Bronz-Glow or to any others, except as required in the normal performance of business involving Bronz-Glow programs, products and services.

It is further understood and agreed, that the improper distribution of such proprietary information including, but not limited to formula's, techniques, materials, research, equipment, costs, pricing data, and any other information unique to Bronz-Glow's business could result in unforeseen and irreparable damage to Bronz-Glow. Such disclosure is specifically prescribed herein, and all information provided for this individual and his firm's benefit by Bronz-Glow is therefore agreed to be treated as strictly confidential and subject to the terms of Non-Disclosure contained herein.

As a representative of _____, I am authorized to accept the terms and conditions of this Confidentiality Agreement, as both an individual and employee of my firm.
